1987 VW Syncro Vanagon Subaru Adventurewagen

[Click on this picture for more images](#)

Info:

1987 VW Vanagon Syncro 225k on body
Subaru Engine 2.2L EJ with about 85k- installed by Small Car
Rear Locker & DeCoupler(no VC) switch to 4x4 on the fly
15in Audi wheels and BFG A/T Tires (less than 10k) full size spare

The Van is currently in La Mesa, CA

Custom Adventurewagen:

Converted in 2011- Sleeps 4, Top and Bottom Beds, Fridge AC/DC, 12gal Stainless water tank(pressurized, no water pump), water filter, 10gal holding tank, 2 burner stove and Oven, lower windows tinted, 90w Solar Panel and charge controller, 2- new 12v house batteries, AC Charger. Sony iPod integrated stereo with 2-8in subs.(stereo switches between engine and house batteries(no key), great when you want to have a beer in CA)

AW top is great for Stealth Camping. Goes anywhere you need it to.

New Van Upgrades (2011-2012):

- Van was converted in 2011 from passenger to AW. All Cabinets were custom built.
- Rear Locker with GoWesty (GW) Decoupler (installed by GoWesty) and Straight shaft(noVC)
- GW Bumpers with Hitch.
- GW Swing arms with Tire and Gas Can tray(new style)
- GW High Power Headlight Kit.
- GW Shifter extension
- Front Heater valve-GW
- VW keys(a must)
- Sony ipod/iphone in dash stereo w/ remote (ipod connection and Aux input)
- Sony 100w amp with two 8" subs (wired so it only works when engine is on)
- Custom Switch so Stereo can work with keys out(great for having a drink in CA)

New Camping Upgrades (2011-2012):

- Custom Switch for Batteries (switches lights to use motor or house batteries)
- 2 New Optima Blue top 12v Batteries
- New 90w Solar Panel with 10amp charge controller
- New Pro Sport Dual Battery Charger- 12amp (charges house batteries when plugged in)
- New Two Burner Stove w/ Oven
- New LP tank and Regulator (GW)
- Extend-s-Stay (allows external Propane bottle and accessory, i.e. BBQ, Lamp to attach)
- New Propex heater (GW)
- New GW Windshield Cover w/ Screens
- New Fiamma 10' Awning, GW mounts, includes tie down kit, center support, legs mount to van.
- New Curtains- Top and Bottom (GW)
- New Skylight
- New Bed foam for top and bottom beds
- New Covers for top bed foam
- New Rear Hatch Screen (GW)

Also included:

Small 12v air compressor, Bentley Guide, Subaru Guide.

Haven't installed yet (but included)- GW Sliding door screen, GW Wheel spacers and studs(for rear), GW gas pedal(doesn't need it yet), Extra GW seat recliner knobs.

Known issues... Rear wiper doesn't work. Small dent in sliding door. Some scratches.
