1991 Syncro 4WD Westfalia Full Camper-1 of a Kind Price: 99500

'91 VW SYNCRO (4WD) 2.5 Westfalia Full Camper
\$99,600. VIN: WV2ZB0253MG003421.

We priced this after comparing the last 22 Syncro campers in past 6 years by GoWesty, looking at mileage, condition, upgrades & restorations on all 22 & ours. This price is quite fair, considering everything the others don't have. This is our first VW Westy camper, bought from 2nd owner-a private party 1/06. Finally the configuration's exactly as we want, but then hurt my knee & shoulder causing pain getting in & out w/2" lift kit. Almost all of very significant upgrades, restoration & repairs were done by the GoWesty experts, & it has always been garaged. YOU MUST SEE!

All GoWesty & other invoices plus CARFAX Report (totally clean & w/all their guarantees offered) available online. Additional images and slideshow available as well. Please email for links.
