Fully Upgraded VW Camper 4WD Westfalia '91 Syncro Excellent Condition - \$84999 (Hacienda Heights)

We priced this after comparing the last 22 Syncro campers in past 6 years by GoWesty looking at mileage, condition, upgrades & restorations on all 22 w/ours. This price is quite fair, considering everything almost all the others don't have. This is our first VW Westy camper, bought from 2nd owner-a private party 1/06. Finally the configuration's exactly as we want, but hurt my knee & shoulder causing pain getting in/out w/2" lift kit.
